

Trevedra Farm Caravan & Camping Site. Sennen. Access Statement.

We are always available to give assistance in any way possible. Please ask.

The touring fields are set out in five closely mown paddocks. Touring and Motor Caravan pitches have access by tarmac & gravel roads with a 5 mph speed limit. Tent pitches are grass. Cars can be parked on the pitch. Pitches are allocated on arrival, although we try to accommodate all specific requests and are happy to give advice on location. Should you require assistance with pitching please do not hesitate to ask. Wheelchair access the Shop and café and (via the shop) to Reception.

Facilities Buildings

The main block building has flat access and are centrally located with dedicated disabled facilities accessed via the national RADAR key scheme. There are three additional separate rooms for those that require assistance, including one with a small bath. Operated on a key system (details via reception) The main block are heated and contain additional accessible toilets and showers which are spacious and have level access with grab rails (not suitable for most wheelchairs) .There are non slip tiles in the wet areas.

Launderette

Has a spacious interior with level access. Inward opening door. Please ask if you need assistance.

Dishwashing

Spacious, outside area & interior area on main block. Exterior on Scilly View & interior on Gwynver.

Reception, Shop and Cafe

There is parking adjacent to all the buildings for disabled badge holders or drop off & pick up. There is level wheelchair access to the shop & then to the reception. Access from outside to the reception is via one step. Delivery of items to your unit can be arranged by request, including café take – away meals. We can help send faxes and emails if required. The outside patio area can be accessed from outside with wheelchairs or one small step from the café.

Lighting

The facilities are lit by sensors. The rest of the park has low level lighting.

24hr Assistance

A member of the family lives on site. If reception is closed there is a duty warden on call. A 24hr telephone number can be made available to you if you wish.

Mobile Phone Network

There is good mobile & 4g coverage on site.

Assistance Dogs

The exercise fields do not have hard paths but are mown regularly.

Beach access – is via steep steps and not suitable for those with mobility issues.
